

Capri 2020-2021 Yearbook

Through the Eyes of a Capri Cougar

The 2020-2021 school year will be unlike any other - where we start the year will not be where we end up.

The yearbook is a chance to capture this evolution and relive this extraordinary time.

Now more than ever the kids in the Capri community want to feel connected to their classmates and the memories they created throughout the year. The yearbook does just that:

- Recognition of all their hard work throughout the year
- For the 5th graders, it holds the memories of their Elementary School Experience
- Will put a smile on the kids face when they see themselves & their friends in a book
